DETAILS

Investigation: Recovered IED Found f/o apt #1A -644 West 185th Street

Subject: INTERVIEW: NELSON DeCOSTA/OCCUPANT OF SUBJECT APARIMENT

as NELSON MENDEZ (MENDEZ is his stepfather's surmanne), Nonetheless, Mrs. MENDEZ, DeCOSTA's mother, did not admit the men into her apartment. She became suspicious when they recommed to him by the name of DeCBSTA and suspected they were not police officers. DeCOSTA recommed that the day after the incident 47-17-90) two men came to his mother's apartment. He was not sure whether they were the same two from the day before. He said that they gainned access by using the ruse of delivering flowers to his sister Myra. It was at this time that his mother, Josephine and his sister, Myra, were both shot. Hearing of this incident DeCOSTA said he rushed to his mother's apartment. Upon his arrival at the scene he encountered his brother-in-law DOMINIC FRANZA. FRANZA is the estranged husband of MYRA MENDEZ-FRANZA (DeCOSTA's sister). DeCOSTA admitted to psyphysically attacking FRANZA in front of mumerous bystanders and accusing him of being responsible for the shootings. DeCOSTA felt that this might have provoked FRANZA to have the subject device placed in front of his door as a form of retaliation.for ahving embarrassed him (with the verbal and physical attack).. DeCOSTA did not think that FRANZA would have actually placed the device down himself but would more that likely have someone else do it.

Case remains ACTIVE.
