3. If further attention is required in this matter, it is suggested that additional known writing in the amount, style and wording as directed by the undersigned be obtained by court order from the suspect in this case.

4. If testimony is required, it is suggested that this examiner be notified at least ten (10) working days prior to such testimony. This is necessary to prepare the proper exhibits for court presentation.

5. The evidence described above will be retained in the files of the Police Laboratory's Document Unit for future reference.

I hereby certify that the foregoing report is a true and full copy of the original report. False statements made herein are punishable as a Class "A" misdemeanor pursuant to section 210.45 of the Penal Law.
