Sub States" I was with my friend we were hanging out. I sent him out to get some food and I went out to get some condoms cause I bought tickets for a cruise and I was saying my wife loved go. When I got back there was a message on my phone that my mother in law was hurt so I went over there - ~~the~~ the message was for Maria but I went.

I found out that they'd both been shot. My wife's family blamed me and my brother in law hit me in the face. I'm glad to take the fall for."
